

**INVITATION TO BID**  
**YUPIIT SCHOOL DISTRICT MATERIAL SUPPLY BIDS FOR AKIAK, AKIACHAK AND**  
**TULUKSAK**

**Yupiiit School District** is accepting sealed bids for the furnishing, purchasing, loading connex's of **Material Supplies for Akiachak, Akiak, and Tuluksak schools**. All items are to be shrink wrapped on pallets and labeled for each of the specific villages.

All schools are located in remote rural Alaska and none are accessible by road.

This scope of work will include the purchase, furnishing, scheduling of connex containers and loading of AML connex's, which will be delivered to your warehouse location in Anchorage by AML. Upon completion of loading, AML will transport the loaded connex's to the **AML Dock for Voyage W4003A** for all the **Yupiiit School District's** three (3) schools.

Yupiiit School District will provide Booking Numbers for each location and will have AML deliver the empty connex's to your warehouse for loading. Upon completion of loading, AML will pick-up the full connex's and deliver to their dock. Yupiiit School District will pay for the movement of empty and full connex's and freight shipment from Anchorage to the Villages.

All vendors who choose to bid on RFP-002, need to ensure that all materials will be available in Anchorage, at least two weeks before the voyage deadline and that the vendor will have the manpower required to load all connex's for the **AML Voyage W4003A, with the Anchorage Deadline of May 2, 2024.**

Bids will be accepted via email:

  - c. **Yupiit School District** reserves the right to reject any and all proposals, to waive deviations from the RFP and to waive any informality in proposals received whenever such rejections or waiver is in the best interest of **Yupiit School District**, and unless otherwise specified by the Potential Contractor, to accept any items in the Proposal.
