Re: Action Item A.

The Pet Policy Committee is presenting a Draft Pet Policy for your information and review and possible action.

PET POLICY COMMITTEE

COMMITTEE MEMBERS:

Patricia Hutcherson, Director of Curriculum & Instruction, Chair
Judy Anderson, Director of Maintenance
Cassandra Bennett, Principal, Akiak
Mark Casseri, High School Teacher –Akiachak, (Past Pet owner)
Brian Krosschell, Director of Technology – Akiachak
Clare Roybt, Teacher, Akiak (Pet owner)
Regina Turner, Teacher, Tuluksak

BACKGROUND INFORMATION:

On September 12, 2018, Superintendent Malik requested that a committee be formed to develop a Pet Policy for Yupiiit School District. The rationale for developing a Pet Policy is due primarily to damages sustained to teachers' housing because pet owners were not taking care of their pets. The damages sustained to teachers' housing by the school district prompted the Maintenance Director to discuss the issue with Superintendent Malik to create a policy pet owners would assume responsibility for negligence if their pet (s) damaged district's property. The cost of gutting and fully remodeling one unit destroyed by a tenant's pets and repairing damages to other units where tenants allowed their animals to damage their Unit is costing the district a fortune in overtime for maintenance crews, building materials and supplies, shipping, etc. Additionally, some pet owners are not cleaning up after their animals; and one owner has exceeded the limit of three (3) dogs per unit. The seriousness of the aforementioned situations became a priority for the school district and the Director of Curriculum and Instruction formed a committee.

While there is no official Pet Policy, **the Lease Agreement clearly states on page 2, "if the lessee chooses to have pets, (no more than 3 are allowed)". On page 5, Number**

20 under Housing of Pets, the number 3 is referenced and states: I hereby request permission to keep the following pet (s) not to exceed three (3) on the premises of my quarter. Due to the amount of damages incurred by YSD from pet damages for 2017-2018 school year and an approval from the previous superintendent that allowed a new hire/tenant to bring six (6) animals to their unit without approval of the Regional School Board, the creation of a Pet Policy was imminent for current and future occupancy in school district's housing.

On the first page of the Lease Agreement, **Security for Damage, Number 3, letter f**, it states: Lessor may deduct from Lessee's final paycheck the actual cost of replacement or repair, which ever is higher, where damages to the premises result from the following: In the second paragraph on page 2, it states: A \$200 deposit will be deducted from the Lessee's first paycheck, it will be returned at the end of the rental period upon successful inspection of the unit. In addition, if the lessee chooses to have pets, **(no more than 3 are allowed)** a pet deposit of \$500.00 will be deducted from the Lessee's paycheck.

f. Damage by pets. The third paragraph on page 2 of Lease Agreement after **letter f** states: Furnishings have been provided by Lessee's use and enjoyment during the period of the lease. In addition, if at any time during the lease term the Lessee request and receives permission to keep pets on the premises in accordance with Section 20 below, Lessee authorizes a \$500.00 pet deposit to be deducted in equal amounts from his/her next two (2) paychecks during the lease term. In the event of damage to the furnishings in excess of normal wear and tear, Lessee understands and agrees that Lessee is responsible or the full cost to repair such damage or replace the damaged item (s). Lessee understand that this amount may exceed the security deposit deducted from

Lessee's paycheck, and further understand that Lessee is responsible for the actual amount, even if it exceeds the amount of the security deposit. For damage done to furnishings in an amount that exceeds the amount of the security deposit, Lessee shall be responsible for either repairing or replacing the item (s), including any shipping costs associated with this repair or replacement.

RECOMMENDATIONS BY COMMITTEE:

1. Pet limit should not exceed the number of three (3) pets specified in Lease Agreement, unless approved by district.
2. Currently, the district has one employee who has six (6) dogs and the number exceeds the district's limit of three (3) animals per pet owner as specified by Lease Agreement. In good faith, the employee should be allowed to keep the number of dogs he has in the Unit because approval to have six animals was granted by previous superintendent without Regional Board approval when employment was offered and employee was hired in his current position. As the number of animals in the Unit decrease no other animals should replace the one (s) that are currently living in the Unit. The goal is to bring the number down to three (3) as specified in the current Lease Agreement.
3. Language regarding the number of pets a Pet owner can bring to YSD should be placed online and discussed with applicant during interview process if they have pets. By providing information online and discussing information with applicants (if asked about pets during interview) the applicant (s) will be able to make a better decision about joining YSD.
4. As Units become vacant, Director of Maintenance with the approval of Superintendent/Regional Board should began discussion about making Units Pet free.

For the incoming school year (2019-2020), the Committee makes the following recommendations for new employee (s) tenant (s) for deposit. Additionally, housing Units should be inspected two (2) times a year.

DEPOSIT:

1. For employee-tenants new to the **district (effective 2019-2020) \$1,000 pet deposit.**
2. At the end of year one (1) rebate of **\$100** should be returned if year-end inspection shows no pet damage.

3. At the end of year two (2) rebate of **\$200** should be returned if year-end inspection shows no pet damage.
4. At the end of year three (3) rebate of **\$200** should be returned if year-end inspection shows no pet damage.

The remaining \$500 deposit remains with lessor until the end of the lease. Full rebate will be given to lease if Unit shows no pet damage.

DAMAGE (s) TO UNITS AS A RESULT OF PETS:

In the past, at least twice a year, Director of Maintenance, on-site maintenance personnel and/or principal have inspected teacher housing. If damage is noted at time of inspection, a work order should be written, costs estimated/determined and presented to leasee. Once the repairs are completed the actual costs would e presented to tenant with options for paying bill. Tenant (s) would pay the cost like any bill; monies could be deducted from paycheck or other legal alternatives could be presented to leasee (s).

PET RULES:

1. Pet owners shall be liable for damage caused by their pets.
2. Pet owners should keep their Unit and surrounding area clean and free of pet odors, insect infestation and pet feces, urine, waste and litter.
3. Refrain and prevent the pet from gnawing, chewing, scratching or otherwise defacing the doors, walls, windows and floor coverings of the Unit, other Units and common areas, buildings, landscaping and boardwalk.
4. Immediately remove, clean up and appropriately dispose of any pet feces, waste and litter deposited by the tenant's pet on the common grounds, boardwalk access ways.
5. Dispose of pet waste and litter using procedures for the lease's specific Unit.
6. Leasee shall prevent pet from becoming a nuisance for any other tenant or person in or around their Unit.
7. A pet will not be allowed to disturb the health, safety, rights, comfort or peaceful and quiet enjoyment of other tenants.
8. Pet owners must be able to maintain control over their pets.
9. All female dogs over the age of six months and all female cats over the age of five months must be spayed. ***Exception maybe made for documented show pets still not to exceed 3 animals in a Unit.**
10. All male dogs over the age of eight months and all male cats over the age of ten months must be neutered. ***Exception maybe made for documented show pets still not to exceed 3 animals in a Unit.**
11. During housing inspections/maintenance repairs all animals should be in a kennel if owner is not in Unit.

COMPLAINTS:

1. All tenants' complaints regarding animals should follow the change of command and be directed to immediate supervisor.

Re: Action Item B.

The Attendance Policy is presented for your discussion and review and possible action.

BP 5113 ABSENCES AND EXCUSES

The School Board believes that regular attendance plays a key role in the success a student achieves in school. The Board recognizes its responsibility under the law to ensure that students attend school regularly. Parents/guardians of children aged 7 to 16 are obligated to send their children to public school except as allowed by law. The Board shall abide by all state attendance laws and may use any legal means to correct the problems of excessive absence or truancy.

(cf. [5112.1](#) - Exemptions from Attendance)

(cf. [5112.2](#) - Exclusions from Attendance)

Excused Absences

The Superintendent or designee may excuse student absences for health reasons, family emergencies or other reasons the Superintendent or designee determines constitute good cause.

Note: The Board, may allow students to be absent for religious exercises or instruction. The following optional language may be revised or deleted as needed.

Student absence for religious instruction or participation in religious exercises away from school property may be excused.

No student excused for religious holiday shall be denied the opportunity to make up a test given on the religious holiday or denied an award or eligibility to compete for an award.

(cf. [6154](#) - Homework/Makeup Work)

Unexcused Absences/Truancy

Note: [AS 14.30.030](#) requires school boards to establish procedures to reduce and prevent truancy.

The Board is committed to keeping students in school. Truancy is defined as the absence of a student from class without the knowledge or prior consent of the parent/guardian. The Superintendent or designee shall implement all steps appropriate to reduce student absences and to ensure that all children residing within the district are receiving appropriate educational services as required by law.

(cf. [5147](#) - Dropout Prevention)

(cf. [6164.5](#) - Student Study Teams)

(cf. [6176](#) - Weekend/Saturday Classes)

Note: The following optional paragraph is for use by districts that authorize teachers to assign failing grades for excessive unexcused absences as provided in [BP 5121](#).

A student's grades may be affected by excessive unexcused absences in accordance with Board policy.

(cf. [5121](#) - Grades/Evaluation of Student Achievement)

The Superintendent or designee shall report to the Board any apparent violations of compulsory attendance laws. The Board shall investigate such reports and any public complaints of violations of state compulsory attendance laws.

AR 5113 ABSENCES AND EXCUSES

When students who have been absent return to school, they must present a satisfactory explanation verifying the reason for the absence. The following methods may be used to verify student absences:

1. Written note from parent/guardian or parent-representative.
2. Conversation, in person or by telephone, between the verifying employee and the student's parent/guardian or parent representative. The employee shall subsequently record the following:
 - a. Name of student.
 - b. Name of parent/guardian or parent representative.
 - c. Name of verifying employee.
 - d. Date or dates of absence.
 - e. Reason for absence.
3. Visit to the student's home by the verifying employee.
4. Any other reasonable method which establishes the fact that the student was actually absent for the reasons stated. A written recording shall be made, including information outlined above.

Excused Absences

When students contemplate absence for personal reasons, their parents/guardians should write the principal to ask that the expected absence be excused. The principal or Principal may deny the request if he/she believes that the absence would be educationally harmful to the student or set a poor example in matters of school attendance for the student or other students. If the request is denied, reasons will be given.

Truancy

Unless a child subject to compulsory attendance laws is exempted, excluded or expelled from school attendance, each five days of unlawful absence constitutes a separate violation of state law. (A.S. 14.30.020)

The parents/guardians shall be notified of any unexcused absence of their child and informed of state compulsory attendance laws.

The Superintendent or Principal shall establish procedures for notifying parents/guardians and students when a student's absenteeism violates the district's attendance policies.

Students experiencing difficulty with attendance shall be counseled in an attempt to alleviate the problem. The district, the parents/guardians, and the student shall work together to develop an appropriate plan for improving school attendance.

Continued truancy will ultimately result in suspension. A student suspended under this provision is entitled to due process protections and appeal procedures as set forth in Board policy and administrative regulation.

Re: Action Item C.

The Grades/Evaluation of Student Achievement Policy is presented for your discussion and review and possible action.

BP 5121 GRADES/EVALUATION OF STUDENT ACHIEVEMENT

The School Board believes that students and parents/guardians have the right to receive course grades that represent an accurate evaluation of the student's achievement. Teachers shall evaluate a student's work in relation to standards which apply to all students at his/her grade level, not in relation to the work of other students in one particular class.

Grades should be based on impartial, consistent observation of the quality of the student's work and his/her mastery of course content and objectives as demonstrated through classroom participation, homework and tests. The student's behavior and effort shall be reported in separate evaluations, not in his/her academic grade.

(cf. 5113 - Absences and Excuses)

(cf. 5123 - Promotion/Acceleration/Retention)

(cf. 5124 - Communication with Parents/Guardians)

(cf. 5125.3 - Challenging Student Records)

(cf. 6154 - Homework/Make-up Work)

The Superintendent or Principal shall establish and regularly evaluate a uniform grading system. Principals shall ensure that student grades conform to this system.

Unexcused Absences

The Board desires to emphasize the importance of school attendance. Therefore, students with excessive unexcused absences (10 absences per semester) shall receive a failing grade and shall not receive credit for the class(es).

If a student misses class without an excuse and does not subsequently turn in homework, take a test or fulfill another class requirement which he/she missed, the teacher may lower the student's grade for nonperformance. Teachers shall inform students about the class grading system at the beginning of the semester.

Revised 9/98

Adopted: 11/2006

Yupiiit School District

AR 5121 GRADES/EVALUATION OF STUDENT ACHIEVEMENT

Grades for Achievement

Grades for achievement shall be reported each marking period as follows:

A	(90-100%)	Outstanding Achievement	4.0 grade points
B	(80-89%)	Above Average Achievement	3.0 grade points
C	(70-79%)	Average Achievement	2.0 grade points
D	(60-69%)	Below Average Achievement	1.0 grade points
F	(0-59%)	Little or No Achievement	0
I		Incomplete	0

In kindergarten through third grade, teachers shall use narrative descriptions to indicate the student's level of achievement and may also furnish examples of student work.

Whenever it becomes evident to a teacher that a student is in danger of failing a course, the teacher shall arrange a conference with the student's parent/guardian or send the parent/guardian a written report.

An incomplete is given only when a student's work is not finished because of illness or other excused absence. If not made up within six weeks, the incomplete will become an F.

Plus and minus signs are not part of the grading system and are not to be used.

Teachers are encouraged to allow for trends in the quality of student work. When a student finishes a grading period doing high quality work which requires skills acquired throughout the grading period, low grades at the beginning of the grading period need not diminish the appropriate evaluation of the student's achievement. Similarly, high grades at the beginning need not compensate for a downward trend in achievement.

Criteria for determining grades for achievement may include but are not limited to:

1. Preparation of assignments, including accuracy, legibility and promptness.
2. Contribution to classroom discussions.
3. Demonstrated understanding of concepts in tests.
4. Application of skills and principles to new situations.
5. Organization and presentation of written and oral reports.
6. Originality and reasoning ability when working through problems.

Grades for Citizenship and Effort

Grades for citizenship and effort shall be reported each marking period as follows:

- O Outstanding
- S Satisfactory
- N Needs Improvement

Criteria for determining grades for citizenship may include but are not limited to:

1. Student obeys rules.
2. Student respects public and personal property.
3. Student maintains courteous, cooperative relations with teachers and fellow students.
4. Student works without disturbing others.

Criteria for determining grades for effort may include but are not limited to:

Re: Action Item E

The Akiachak Senior Trip Request is presented for approval.

PO Box 51201
Akiachak, AK 99551
September, 14, 2018

To The Local School Board of Akiachak, Regional School Board of YSD, and Super Intendant of YSD:

The Akiachak graduating class of 2018 is requesting the permission of the above for the privilege on going on a Senior Trip. The Senior class of 2019 currently consist of ten students, seven girls and three boys; **Kiani Alexie, Michaela Charles, Tyson Ivanoff Sample, William Jackson Jr., Faith Nose, Kiara Nose, Joseph Pasitnak, Aana Rae Slats, Darian Wassilie, and Jade Wassilie**. In addition to the graduating seniors attending the trip would be the Senior Sponsor, **Barron Sample**, an assisting teacher, **Ickelely Charles**, and a female chaperone **Chelsea Kasayulie**. The seniors of 2019 have chosen to go to Los Angeles.

The dates that the senior trip would occur have been selected to be **May 18, 2019 through May 26, 2019**. These dates had been selected for several reasons. First, the trip had to occur after the school year was completed for both students and staff. The students understand the emphasis on school attendance and minimizing absences due to school related trips. Also the students realized that for the staff chaperones the need to be able to complete their end of the year responsibilities as teachers. Second, It allows the seniors to maximize on cheaper ticket prices and increases the availability of events and activities that are seasonally open to become available. The last reason was that it allows for the students to continue to fund raise to the last day to support the planned activities.

The goals of the trip are two fold. The most obvious is that this is a trip to reward the students for their hard work and dedication through school and through all the fund raising that has been occurring over the years. It is a celebration of the culmination of one aspect of their life and the beginning of another stage in their life. The second goal of the trip is to increase the cultural awareness of the students to life in a major urban area, to the arts (music, dance, performances), food, and the historical and cultural legacy of the L.A. area on the American identity.

With those goals in mind, the seniors were looking at events and places in L.A. to meet both of these criteria. Not all dates have been set since it is still early for many venues to post their hours. And the students have the hope that one of the major L.A. basketball teams will make it to the finals so that games would become an option for them. As we get closer to the dates and the ticket purchasing a final schedule would be available.

Tentative events and descriptions are as follows:

Travel days (allow one day at the beginning and the end for just traveling)

Disneyland Park (mainly a children's park but is so iconic in American culture that it is a must see)

Disneyland California Adventure Park (an amusement park more for older kids)

Knott's Berry Farm (an amusement park that is themed more to a state fair setting)

Medieval Times Dinner Show (Live action show of medieval life, food, and combat located near the Knott's Berry Farm park)

Universal Studios (Theme park based on the movies) dinner will be at the Hard Rock Café.

Dinner Detective Murder Mystery Show (live action play performed while audience eats, we will pay a little extra to get one of our students included in the play)

LA Zoo

Venice Beach (an iconic beach in both film and in the attractions that are there)

Six Flags Magic Mountain (an amusement park)

Six Flags Hurricane Harbor (a waterpark open after May 24th)

Staple's Center (depending on if the Lakers or Clippers make it to the finals)

Pirate Dinner Adventure (a live action dinner show based on pirates)

SeaWorld (theme park and Aquariums)

The Price is Right (we will try and get on to a live taping of the show)

Trip down to Hollywood, Chinatown, and Koreatown in LA

Concert (still searching for live concert performance)

Underwood Family Farms (local farm that allows for picking of produce)

Several down days to relax, shop, use the pool, or go to the movies

For attendance in the Senior trip, there are several conditions the students had to meet. First, the students have to graduate by the time the trip occurs. This means that school attendance and grades must be kept up. Second, the students must actively and fully engage in fund raising activities to support the class. The students have a senior code of conduct in which they are to sign.

For the staff in attendance, they were chosen based on level of support, having a driver's licenses, and a credit card just in case of unexpected circumstances. The student's selected their female chaperone.

The total numbers allow for one 12-passenger van and for two hotel room suites (one female room and one male room). Currently I am considering the Anaheim Marriot Suites due to its central locality to most events, larger rooms, and a nicer area to stay.

As the sponsor I am going to ask that the seniors keep a journal of events. The idea is that they turn this activity into a way of keeping and highlighting memories, but also share it with others. It will help others later on decide if this is something they want to do, or places to go and visit. It will include writing, pictures, audio and even souvenirs.

At this point we are asking for permission to go on the trip to Los Angeles during the selected dates beginning on May 18th, 2019. Permission would allow us to order tickets at a lower price (pfd sales) saving overall money and the required amount needed per student and to begin booking hotels and event tickets.

We want to thank you for your support of the Class of 2019.

Sincerely,

Barron Sample
